DIGITAL STORYBOARDING

TOON BOOM **STORYBOARD** 1.5
DIGITAL STORYBOARDING FOR EVERYONE

Paperless  workflow.

DIGITAL STORYBOARDING FOR EVERYONE

Toon Boom Storyboard comes with an intuitive interface presenting either an elegant traditional panel window layout or an overview window layout that fits into your content creation process.

Complete set of drawing tools, including pressure-sensitive brush tools when using a digital graphic tablet and pen

Customizable caption fields to insert fully searchable textual content, such as scene descriptions and comments

Flexible import and export capabilities, including PDF, PSD, SWF, AI, JPG, TGA, PNG file formats

Developed in conjunction with expert storyboard artists, Toon Boom Storyboard speeds up production planning and enables you to reach new heights in storytelling.
